Mark,

I'm working on my list of responsibilites I covered as Vice President. I'm hoping that with this list, you'll be able to oversee that these items remain intact so that our team is held accountable for their duties, even though I will be leaving the company.

I'll continue to update this... I sincerely believe in infrastructure we've built and the progress we've made... I hope this helps you - and whomever can assist you - keep on top of it all.

Best,
Kelly
